

Engineering and Technology - 2018

No	Training Course	Place	Date
First Quarter			
E1	Basic Skills in Mechanical Engineering	London	08-12 JAN
E2	Renewable Energy Technology and Their Maintenance	London	08-12 JAN
E3	Internal Buildings Design	London	15-19 JAN
E4	Managing Maintenance Quality Systems	London	15-19 JAN
E5	Sustainable Designs and Management of Smart Buildings	London	22-26 JAN
E6	Charts and tables reading and Technical writing	London	05-09 FEB
E1	Basic Skills in Mechanical Engineering	London	05-09 FEB
E5	Sustainable Designs and Management of Smart Buildings	London	12-16 FEB
E7	Auditing, Assessing and Enhancing Maintenance Programmes	London	19-23 FEB
E25	Structural Design for Engineers	London	05-09 MAR
E27	Statistical Analysis Using SPSS Software	London	05-09 MAR
E2	Renewable Energy Technology and Their Maintenance	London	05-09 MAR
E4	Managing Maintenance Quality Systems	London	05-09 MAR
E26	Garden Design	London	05-09 MAR
E20	Advanced Microsoft Word and its use in Engineering Reports	London	05-09 MAR
E22	AutoCAD 2D	London	05-09 MAR
E28	Information Technology Infrastructure Library (ITIL)	London	05-09 MAR
E7	Auditing, Assessing and Enhancing Maintenance Programmes	London	12-16 MAR
E6	Charts and tables reading and Technical writing	London	12-16 MAR
E2	Renewable Energy Technology and Their Maintenance	London	12-16 MAR
E5	Sustainable Designs and Management of Smart Buildings	London	19-23 MAR
E7	Auditing, Assessing and Enhancing Maintenance Programmes	London	19-23 MAR
Second Quarter			
E2	Renewable Energy Technology and Their Maintenance	London	26-30 MAR
E3	Internal Buildings Design	London	26-30 MAR
E4	Managing Maintenance Quality Systems	London	26-30 MAR
E5	Sustainable Designs and Management of Smart Buildings	London	02-06 APR
E1	Basic Skills in Mechanical Engineering	London	02-06 APR
E2	Renewable Energy Technology and Their Maintenance	London	09-13 APR
E6	Charts and tables reading and Technical writing	London	16-20 APR

E9	Modern Technology in Sizing Photovoltaic Panels	London	23-27 APR
E27	Statistical Analysis Using SPSS Software	London	23-27 APR
E24	Network and Information Security	London	07-11 MAY
E17	Electromechanical Maintenance	London	07-11 MAY
E15	Heat Pump Application	London	07-11 MAY
E21	Advanced Microsoft PowerPoint and How to do presentations	London	07-11 MAY
E5	Sustainable Designs and Management of Smart Buildings	London	21-25 MAY
E12	Refrigeration Cycles	London	21-25 MAY
E2	Renewable Energy Technology and Their Maintenance	London	25-29 JUN
E10	Modern Technology in Wind Energy Use	London	25-29 JUN
E22	AutoCAD 2D	London	25-29 JUN
E26	Garden Design	London	25-29 JUN
E6	Charts and tables reading and Technical writing	London	25-29 JUN
Third Quarter			
E1	Basic Skills in Mechanical Engineering	London	02-06 JUL
E25	Structural Design for Engineers	London	02-06 JUL
E2	Renewable Energy Technology and Their Maintenance	London	02-06 JUL
E3	Internal Buildings Design	London	23-27 JUL
E4	Managing Maintenance Quality Systems	London	06-10 AUG
E5	Sustainable Designs and Management of Smart Buildings	London	06-10 AUG
E6	Charts and tables reading and Technical writing	London	06-10 AUG
E1	Basic Skills in Mechanical Engineering	London	06-10 AUG
E27	Statistical Analysis Using SPSS Software	London	06-10 AUG
E28	Information Technology Infrastructure Library (ITIL)	London	06-10 AUG
E18	Diesel Engines operation and Maintenance	London	13-17 AUG
E10	Modern Technology in Wind Energy Use	London	13-17 AUG
E16	Heat Exchangers Application	London	13-17 AUG
E23	Autodesk Inventor 2014	London	20-24 AUG
E21	Advanced Microsoft PowerPoint and How to do presentations	London	20-24 AUG
E2	Renewable Energy Technology and Their Maintenance	London	20-24 AUG
E17	Electromechanical Maintenance	London	03-07 SEP
E6	Charts and tables reading and Technical writing	London	03-07 SEP
E10	Modern Technology in Wind Energy Use	London	10-14 SEP
E26	Garden Design	London	10-14 SEP

E4	Managing Maintenance Quality Systems	London	10-14 SEP
E5	Sustainable Designs and Management of Smart Buildings	London	24-28 SEP
E22	AutoCAD 2D	London	24-28 SEP
Fourth Quarter			
E1	Basic Skills in Mechanical Engineering	London	01-05 OCT
E2	Renewable Energy Technology	London	08-12 OCT
E7	Auditing, Assessing and Enhancing Maintenance Programmes	London	15-19 OCT
E3	Internal Buildings Design	London	15-19 OCT
E25	Structural Design for Engineers	London	15-19 OCT
E4	Managing Maintenance Quality Systems	London	15-19 OCT
E27	Statistical Analysis Using SPSS Software	London	15-19 OCT
E5	Sustainable Designs and Management of Smart Buildings	London	15-19 OCT
E10	Modern Technology in Wind Energy Use	London	22-26 OCT
E6	Charts and tables reading and Technical writing	London	05-09 NOV
E11	Modern Technology in tidal energy use	London	05-09 NOV
E13	Air conditioning	London	12-16 NOV
E17	Electromechanical Maintenance	London	12-16 NOV
E18	Diesel Engines operation and Maintenance	London	19-23 NOV
E22	AutoCAD 2D	London	26-30 NOV
E2	Renewable Energy Technology and Their Maintenance	London	03-07 DEC
E7	Auditing, Assessing and Enhancing Maintenance Programmes	London	10-14 DEC
E26	Garden Design	London	10-14 DEC
E25	Structural Design for Engineers	London	10-14 DEC
E27	Statistical Analysis Using SPSS Software	London	24-28 DEC
E28	Information Technology Infrastructure Library (ITIL)	London	24-28 DEC
E10	Modern Technology in Wind Energy Use	London	24-28 DEC

ADAM HASNER

Marketing Manager
