

Engineering and Technology - 2017

No	Training Course	Place	Date
First Quarter			
E1	Basic Skills in Mechanical Engineering	London	09-13 JAN
E2	Renewable Energy Technology	London	09-20 JAN
E3	Energy Conversion Principles	London	16-20 JAN
E4	Internal Combustion Engines	London	16-20 JAN
E5	Advanced Maintenance Management in Mechanical workshops	London	23-27 JAN
E6	Charts and tables reading and Technical writing	London	06-10 FEB
E1	Basic Skills in Mechanical Engineering	London	06-10 FEB
E5	Advanced Maintenance Management in Mechanical workshops	London	13-17 FEB
E7	Maintenance & Repair of Diesel Engines In power Stations	London	20-24 FEB
E8	Modern Technology in Sizing Thermal Solar Panels	London	20-24 FEB
E25	Structural Design for Engineers	London	06-10 MAR
E27	Statistical Analysis Using SPSS Software	London	06-10 MAR
E2	Renewable Energy Technology	London	06-10 MAR
E4	Internal Combustion Engines	London	06-10 MAR
E26	Garden Design	London	06-10 MAR
E20	Advanced Microsoft Word and its use in Engineering Reports	London	06-10 MAR
E22	AutoCAD 2014	London	06-10 MAR
E7	Maintenance & Repair of Diesel Engines In power Stations	London	13-17 MAR
E6	Charts and tables reading and Technical writing	London	13-17 MAR
E2	Renewable Energy Technology	London	20-31 MAR
E5	Advanced Maintenance Management in Mechanical workshops	London	20-24 MAR
E8	Modern Technology in Sizing Thermal Solar Panels	London	20-24 MAR
Second Quarter			
E2	Renewable Energy Technology	London	27 MAR-07APR
E3	Energy Conversion Principles	London	27-31 MAR
E4	Internal Combustion Engines	London	27-31 MAR
E5	Advanced Maintenance Management in Mechanical workshops	London	3-7 APR
E1	Basic Skills in Mechanical Engineering	London	3-7 APR
E2	Renewable Energy Technology	London	10-14 APR
E6	Charts and tables reading and Technical writing	London	17-21 APR
E9	Modern Technology in Sizing Photovoltaic Panels	London	24-28 APR
E27	Statistical Analysis Using SPSS Software	London	24-28 APR

E24	Network and Information Security	London	01-05 MAY
E15	Heat Pump Application	London	01-05 MAY
E21	Advanced Microsoft PowerPoint and How to do presentations	London	08-12 MAY
E5	Advanced Maintenance Management in Mechanical workshops	London	22-26 MAY
E12	Refrigeration Cycles	London	22-26 MAY
E2	Renewable Energy Technology	London	05-15 JUN
E10	Modern Technology in Wind Energy Use	London	05-09 JUN
E22	AutoCAD 2014	London	12-16 JUN
E26	Garden Design	London	12-16 JUN
E6	Charts and tables reading and Technical writing	London	19-23 JUN
Third Quarter			
E1	Basic Skills in Mechanical Engineering	London	26-30 JUN
E25	Structural Design for Engineers	London	03-07 JUL
E2	Renewable Energy Technology	London	03-15 JUL
E3	Energy Conversion Principles	London	24-28 JUL
E4	Internal Combustion Engines	London	07-11 AUG
E5	Advanced Maintenance Management in Mechanical workshops	London	07-11 AUG
E6	Charts and tables reading and Technical writing	London	07-11 AUG
E1	Basic Skills in Mechanical Engineering	London	07-11 AUG
E27	Statistical Analysis Using SPSS Software	London	07-11 AUG
E18	Diesel Engines operation and Maintenance	London	14-18 AUG
E10	Modern Technology in Wind Energy Use	London	14-18 AUG
E16	Heat Exchangers Application	London	14-18 AUG
E23	Autodesk Inventor 2014	London	21-25 AUG
E21	Advanced Microsoft PowerPoint and How to do presentations	London	21-25 AUG
E2	Renewable Energy Technology	London	28 AUG-08 SEP
E17	Petrol Engines operation and Maintenance	London	04-08 SEP
E6	Charts and tables reading and Technical writing	London	04-08 SEP
E10	Modern Technology in Wind Energy Use	London	11-15 SEP
E26	Garden Design	London	11-15 SEP
E4	Internal Combustion Engines	London	11-15 SEP
E5	Advanced Maintenance Management in Mechanical workshops	London	25-29 SEP
E22	AutoCAD 2014	London	25-29 SEP
Fourth Quarter			
E1	Basic Skills in Mechanical Engineering	London	02-06 OCT
E2	Renewable Energy Technology	London	09-20 OCT

E8	Modern Technology in Sizing Thermal Solar Panels	London	16-20 OCT
E3	Energy Conversion Principles	London	16-20 OCT
E25	Structural Design for Engineers	London	16-20 OCT
E4	Internal Combustion Engines	London	16-20 OCT
E27	Statistical Analysis Using SPSS Software	London	16-20 OCT
E5	Advanced Maintenance Management in Mechanical workshops	London	16-20 OCT
E10	Modern Technology in Wind Energy Use	London	23-27 OCT
E6	Charts and tables reading and Technical writing	London	06-10 NOV
E11	Modern Technology in tidal energy use	London	06-10 NOV
E13	Air conditioning	London	06-10 NOV
E17	Petrol Engines operation and Maintenance	London	13-17 NOV
E18	Diesel Engines operation and Maintenance	London	20-24 NOV
E22	AutoCAD 2014	London	27 NOV-01 DEC
E2	Renewable Energy Technology	London	04-08 DEC
E8	Modern Technology in Sizing Thermal Solar Panels	London	11-15 DEC
E26	Garden Design	London	11-15 DEC
E25	Structural Design for Engineers	London	11-15 DEC
E27	Statistical Analysis Using SPSS Software	London	18-22 DEC
E10	Modern Technology in Wind Energy Use	London	18-22 DEC
